

FESTIVE CELEBRATIONS AT COYOTE

Some claim we make the best margaritas in town, while others flock here for Mexico's greatest hits like burritos, tacos & quesadillas. Either way, whether you are a true Mexican aficionado or serious party veteran, Coyote is the first stop on party lane to get your foodie on.

Whether it's a hen's or stag night, informal drinks after a formal company dinner or a Mexican company theme party, Coyote promises a one of a kind experience with attitude.
